KOSY 106.5

To Whom It May Concern,

Our radio station recently partnered with Emily Steck and her company, Face Painting Illusions.

Face Painting Illusions joined us at the 12th Annual Safe Kids Fair at the South Towne Expo Center in Sandy on Friday, February 27th and Saturday, February 28th. Over 34,000 people attended the two-day event and the KOSY 106.5/Face Painting Illusions booth was by far the most-attended at the event. I believe we set a Safe Kids Fair record for the longest line ever!

Emily and her staff were punctual, professional, clean and very friendly. I never realized how happy kids get when they get their face painted. Every kid left our booth with a huge smile. We took over 200 photos at the event and every kid had a grin from ear to ear.

I can't wait to have Face Painting Illusions with us at the 13th Annual Safe Kids Fair in 2011 and hopefully we get the chance to work together again before that.

I would recommend Face Painting Illusions to anyone. They are by far the best face painting professionals in Utah.

Thanks Emily!

Sincerely,

Rob Nish
